### Joe Loss & His Orchestra

Glenn Miller and His Orchestra 1st paperback ed. Dance to the Music of Joe Loss and His Orchestra.

### In the Mood

New York: Oxford University Press. Miller initially formed a large that was to be the core of a network of service orchestras.

### Spinner

Miller hired Schwartz, but instead had him play lead clarinet. In 1935, appeared with the Joe Loss Orchestra in her first radio broadcast. The legacy also continues through The United States Air Forces in Europe Band, stationed at , Germany.

### Joe Loss

Miller also recorded a version of the song directly for broadcast on 's show. He realized that he needed to develop a unique sound, and decided to make the clarinet play a melodic line with a holding the same note, while three other saxophones harmonized within a single octave.

### BBC Radio 4

Miller recorded a number of versions of the song, some of which were broadcast on radio programs such as his in 1942.
