190 Best Interior Trim ideas

Basic trim on one window and ornamental shutters on another may seem

counterintuitive, but it can actually work very well when a home has dimensional distinction. If yes do I have to remove the paint and start over or can I just repaint with an interior paint? The clean expansiveness of this home style lends itself to unadorned window and door casings, and baseboards. Its a softer white than what was before and the trim is the same as the body of the house.

Interior and Exterior Trim

Thanks for your hard work, maybe my next house will be a beautiful deep blue! Wainscoting and walls decked out in WORS with Craftsman style details throughout. Our last home was gray at every turn, and I loved it. However, your colors sound terrific and appropriate for your location.

Interior Trim

The effect is stunning with all of the mature trees and plantings on the property. Above, is another home with a Classic Burgundy front door.

27 Exterior Door Trim ideas

Recommended Uses: Use on properly prepared exterior siding and trim of previously painted or bare vinyl, aluminum, masonry, stucco, wood, galvanized metal, and primed steel.

Choosing Interior and Exterior Window Frame Colors

If caulk builds up under the padded tip, just wipe it clean on a rag and continue to the end of the seam. So the quality and purpose of using an outdoor coating depend on this potentially harmful component.
