## Trade unionists and the Labour Party in Britain: the bedrock of success

Over half the male labour force was in trade unions in 1919 and 1920, densities not achieved again until after the Second World War in 1946, while the 1920 female density was only surpassed from 1942. Because their interests were the same.

## Ramsay MacDonald and the Rise of Labour

Labour Leader, 1 March 1903. Aberdeen was content to accept her wish and Gladstone was sworn in on the day before his forty-third birthday.

## Keir Hardie

It was necessary, in his absence, to have that policy made clear, and to give the fullest encouragement to his supporters. The watchword of socialism is not class consciousness but community consciousness.
