Bristol Times Revisited (Changing Times) pdf/epub

Villes, remparts ou monuments significatifs sont souvent représentés depuis la mer ou les fleuves, car l'arrivée en bateau autorise une perception progressive et globale du site. Cependant, de tels effets sociaux nécessitent l'utilisation concrète des produits et services postaux offerts dans les bureaux.

Abstract: The representations of cities viewed from the sea have had, since the fifteenth century, a great success in urban iconography. But emergency assistances are much more complex than as perceived by the 19th century authors : emergency actions have to be multiform and unpredictable to be efficient.
