Along the same lines, don't use everything that seems remotely Asian in your. CONSIDERATION IN PRODUCT DESIGN Product design is a complex process, since all the relevant stakeholders have different requirements from the product. Sleek and modern, the cooker not only makes perfect rice but also slow cooks meat and makes bread too.

### PRACTICE

However, for many centuries, Japan avoided all contact with the outside world, a policy that isolated Japanese society, which as a result developed in unique ways. Make sure you have room for it because it becomes 20 to 30 feet tall, with a spread 15 to 25 feet. When there are

various points to meet, the best choice is to elevate the interim space between them rather than trying to bring all the other points down to ground level.
