In the world of his imagination everything has a life, a place and being of its own! The aim of the Gospel is spiritual, to save men from sin, and hence moves in a sphere entirely distinct from that of astronomy. The Three Steps, alluding to the three degrees and the division of our society into those who govern and those who obey, leads to the ideas of organisation and subordination in the lodge. The statues of the moon and of the stars, and 33: 20, My covenant of the day and my covenant of the night.

I will develop the argument for that claim in subsequent discussions throughout the book; for now, it is important to note that the commercial metaphor does not indeed, cannot even suggest such an argument. We also have internal plagiarism-detection software that helps us to ensure that none of our paper is similar or has some copied parts from any source all over the internet. Man is an immortal intelligence, and therefore great.

## DAVID HUME : WORKS & AUTOGRAPH LETTERS

It seems to have been the natural relation of the weak to the powerful--of the captive to the conqueror--of the dependent to the opulent. He is capable of virtue and of sin. Nature ministers to the Caffre and the Hottentot as truly as to the man of most advanced civilisation.

Once he was on the point of marrying a peasant girl; another-time, a family council dissuaded him from marrying a relative; a yet later intimacy was broken off by himself. .

## **DAVID HUME : WORKS & AUTOGRAPH LETTERS**

He taught us to think of ourselves as sinners who may have a full restoration to their high estate. Among the earliest realisations of every man is that no man lives to himself alone; that he is dependent upon his fellow-creatures and they upon him; that he owes them and they owe him mutual aid, support and protection; that to secure these advantages some must rule and some must at least temporarily obey; that there must be classes and that progress from one class to another must depend upon proficiency in the former. Lincoln's blockade proclamation had an important effect on British policy.
