National Gallery of Canada Internship Program

Suda has also curated exhibitions on the history of books. Knowing that the Western educational system instils this rigid understanding of time and history, and that the majority of us living on Turtle Island were educated from that colonized perspective which does not encourage an understanding of oral histories and multiple vantage points, I admit I initially approached the first gallery installation with some hesitation, even cynicism.

National Museums of Canada

Today, Louis Riel Day, we celebrate the devoted Métis leader and politician who fought for his people and for all minority rights in Canada. Suda came here a week earlier to see Middle Passage with her children.

National Gallery of Canada

Suda had hoped to boost total attendance past the levels set by her predecessor Marc Mayer, about 400,000 visitors a year.

National Museums of Canada

In May, pandemic permitting, the gallery will host the first in Canada since 1969. The National Gallery of Canada Review is a bilingual online journal. The publication includes colour illustrations of art by M.
