CNN International

Historically the -s possessive has been used for animate nouns, whereas the of possessive has been reserved for inanimate nouns. The inflectional system regularised many irregular inflectional forms, and gradually simplified the system of agreement, making word order less flexible.

CNN International

In clauses with auxiliary verbs, they are the finite verbs and the main verb is treated as a subordinate clause. When they obtained political independence, some of the newly independent nations that had multiple opted to continue using English as the official language to avoid the political and other difficulties inherent in promoting any one indigenous language above the others.

Hebrew

This overview mainly describes the of the and the : RP and GA.

Hebrew

Language Rights Revisited: The challenge of global migration and communication.

Hebrew

These four vowels are only distinguished in RP, Australia, New Zealand and South Africa.
