## Lenin on the Komsomol

Without such a struggle it is inconceivable that the proletariat of the oppressed nations can maintain an independent policy and its class solidarity with the proletariat of the ruling countries in the fight for the overthrow of the common enemy, in the fight for the overthrow of imperialism. Reply to Comrades Meshkov, Kovalchuk, and Others. Lenin, Works, volume 33, page 372 Tony Cliff, Trotsky: The Sword of the Revolution 1917-1923, opus cit.

## Lenin and the National Question

He did not recognize aristocratic nations.

## Lenin, Trotsky and Stalin on the rights of nations to self

But is there such a thing as communist ethics? Jews being harboured by Poles were exposed by German house-to-house clearances and mass evictions of entire neighbourhoods.

## Lenin, Trotsky and Stalin on the rights of nations to self

I shall not give any further appraisals of the personal qualities of other members of the C.

## Lenin's implementation of Leninism in Russia and the changes made

October 2, 1920 Original Source: Pravda, 5-7 October 1920. Some have speculated that he now felt that supreme power was in his grasp and he felt free to voice the contempt bred of inferiority he had always felt for Lenin.

## **The National Question and Leninism**

In fact, the skirmishes were engineered and there was no advanced revolutionary situation. First: the awakening of national life and national movements, struggle against all national oppression, creation of national states. The question is as follows: Are the revolutionary potentialities latent in the revolutionary liberation movement of the oppressed countries already exhausted, or not; and if not, is there any hope, any basis, for utilising these potentialities for the proletarian revolution, for transforming the dependent and colonial countries from a reserve of the imperialist bourgeoisie into a reserve of the revolutionary proletariat, into an ally of the latter? But the very genesis of the totalitarian regime and its ever more brutal intensification, especially in the Ukraine, are proof that the real will of the Ukrainian masses is irreconcilably hostile to the Soviet bureaucracy.

### **Lenin's implementation of Leninism in Russia and the changes made**

Lithuanians and Poles were banned from professional occupations such as doctors and teachers.
