However, RenewableNI, which represents the green electricity industry here, last month lodged a formal complaint, insisting that the report was not fit for purpose - a claim which is strongly denied by NIAO - and has commissioned an accountancy firm to produce an independent audit and report. At the end of the chase, Ryo adds weight by jumping on the scaffolding that Ren was on, causing the scaffolding to collapse, sending them both onto the back of a covered van. However, the film's star and director Lau clashed over the style of fighting, resulting in Lau leaving the set before the shooting of the final fight scene, which was then taken over by Chan.
