## France after 1815

The heavily resurfaced and restored Richelieu Bacchus continued to be admired by. But France renewed its dominance of the high fashion French: couture or haute couture industry in the years 1860—1960 through the establishing of the great houses such as , , and.

## Charles de Gaulle

As he felt his death approaching, he named Mazarin, one of his most faithful followers, to succeed him as chief minister to the King. De Gaulle's support grew out of a base in colonial Africa.

## Charles de Gaulle

Members of the family were appointed as monarchs in some of the newly established kingdoms. Alphonse, who had no desire to become a bishop, became instead a monk. Within a few years, the Algerian war of independence reached a summit in terms of savagery and bloodshed and threatened to spill into metropolitan France itself.

## History 101: Western Civilization I Course

Thirty-seven percent of his fortune was in easily transportable jewels and cash.
