What is PMP (Project Management Professional)?

As companies recruit people from various cultural backgrounds, the need for project managers with a standardized set of skills increases.

Home

The certification does not expire and will maintain its value as a career achievement. For example, the outputs from one process may be used by one or more other processes as inputs.

What is PMP (Project Management Professional)?

Find and Join a DAMA Chapter Near You Chapters are the nodes of the DAMA International network. Employers will still be able to come to the National Restaurant Association website to validate that job candidates have earned the credential.

Project Management Professional

PMI also evaluates proficiency levels in each project management process group in 4 levels. What Do Facility Managers Do? Globally recognized and demanded, the PMP® demonstrates that individuals have the experience, education and competency to lead and direct people and helps individuals to stand out to employers and maximize their earning potential overall. Trying to make your resume stand out above the rest? A total of three exams are to be taken.

Project Management Professional

The CDMP Mastery certification is awarded to professionals who scored 70% or higher on all three exams. You will not know which type of question you are answering.

What is Facility Management

Credential holders may earn PDUs towards the maintenance of their credential through formal academic courses or courses offered by a provider

R. Re-certification credits can be entered online through the Professional Development Transmittal Form.
