

# Lake Huron beginning-of-month water levels and monthly rates of change of storage

U.S. Dept. of Commerce, National Oceanic and Atmospheric Administration, Environmental Research Laboratories - Data Set

Description: -

-

Great Lakes (North America) -- Water level.

Huron, Lake (Mich. and Ont.)Lake Huron beginning-of-month water levels and monthly rates of change of storage

-

Wright American fiction -- v. 2 (1851-1875), no. 903

GLERL contribution -- no. 34

NOAA technical report -- ERL 348-GLERL 4Lake Huron beginning-of-month water levels and monthly rates of change of storage

Notes: Chiefly tables.

This edition was published in 1975

## Long

WRF-Hydro model to provide a more holistic view of the uncertainty associated with L2SWBM estimates of these variables.

## Annual and seasonal flow variations through the Straits of Mackinac, Water Resources Research

To meet this demand, hydrological models are often used , in part because of their capacity to represent hydrologic variables across the global landmass.

## 1975 Publications Abstracts: NOAA Great Lakes Environmental Research Laboratory

Great Lakes ice cover, winter 1973-74. Environmental Protection Agency--Region II, 1974.

## FY 1975 Publications: NOAA Great Lakes Environmental Research Laboratory

The execution of the water movement studies, together with estimates of data recovery and, where available, results are discussed. Journal of Great Lakes Research 4, 331—342 1978. A typical inner and outer bay is 3700 m<sup>3</sup> s<sup>-1</sup> for winds parallel to the axis of the bay, but winds perpendicular to the axis of the bay cause little water to be exchanged.

## Long

Tables — provide an overview of the new estimates of over-lake precipitation, over-lake evaporation, and lateral runoff across Lake Superior Table , Lake Michigan-Huron Table , Lake Erie Table , and Lake Ontario Table. Federal agency programs: NOAA--Department of Commerce. Sediment oxygen demand studies on the Androscoggin, Presumpscot, and Penobscot Rivers, Maine, May and July 1974.

## Great Lakes Beginning

A generalized model for simulating lake ecosystems. *Journal of Hydrometeorology* 16, 2045—2064 2015. *Annalen der Physik* 155, 368—397 1850.
