## Song translation blog

Ima sugu YOUR LIFE IS YOUR OWN Get ready! My normality is overlapping The end of a season, and spreading tears in the sky Sitting at a window seat, what should I devote my thoughts to? Haruka mirai e no dreamer Hashiridashita no believer Hajimari wo iwau freedom Meguriau tame no promise Kurikaeshite yuku my life To my Homies Hey, what's up? And I miss u miss u My destiny Why do you see me with sad eyes do not Cry Did not you recognize me at a glance? Just when did they turn into treasures? Ima sugu YOUR LIFE IS YOUR OWN Get ready! From this heart, past the sorrow, with a loud voice. . Living today so that someone, even if just a little, will be able to smile.
