To study this topic, the researcher uses deductive, analytical and critical methods.

### List of Works by Ahmad al

Pertanyaan lainnya adalah apakah rukyat secara langsung merupakan tujuan dari syariat, padahal penyatuan kalender Islam meniscayakan metode hisab sebagai pedoman.

## A Mamluk Handbook for Judges and the Doctrine of Legal Consequences (al-mūḡab)

Here you will find content that addresses identity, contemporary ideologies, Islamophobia, social justice, gender and sexuality, race and epistemology — all from an Islamic ethical point of view.

## Unified Islamic Calendar in the Perspective of Islamic Legal Philosophy

The doctrine of the mūḡab which we have examined, for example, delimits the errors that an inexperienced or otherwise unscrupulous judge may inflict due to the latitude permitted by a set of concurrent jurisdictions without any wider jurisprudential controls.
