Catch Them Before They Fall: Identification and Assessment to Prevent Reading Failure in Young Children

In addition to describing patterns for all students with disabilities, in this report, we highlight information on specific disabilities: Learning Disability LD , Emotional Disability ED , Intellectual Disability ID , and Sensory Disability SD. Mental Retardation, 42 2 , 136-144; Waldron, N.

The Positives and Negatives Effects of Labeling Students

Mental Retardation and Developmental Disabilities Research Review, 6, 207—213.

Gifted and Learning Disabled: Twice Exceptional Students

The 'end goal' was to help children comprehend written material at a level that is consistent with general intellectual abilities.

Learning Disability

Occasionally, he would contribute something clever to the classroom discussion, but mostly he seemed disengaged.
