Issue 7: Women Empowerment

National machineries for the advancement of women have been established in almost every Member State to, inter alia, design, promote the implementation of, execute, monitor, evaluate, advocate and mobilize support for policies that promote the advancement of women.

The Shriver Report: A Woman's Nation Changes Everything

Indeed, she concludes that the work these women do will be necessary regardless of how high-tech our economy becomes.

What Are the Biggest Problems Women Face Today?

Johnson, Janet Elise and Aino Saarinen.

Obstacles to Female Leadership

The new Russia was more or less divided amongst a group of old cronies, who subsequently became multi-millionaires, forming a new oligarch class. And over half of us are the primary breadwinners in our households. The public discourse drawing upon traditionally gendered power networks and the role of women in the family and the domestic sphere has, of course, impeded women from attaining leadership positions, whether in business, politics, or in the Orthodox Church.
