Economic and political overview in Italy

This, unfortunately, did not happen.

Government of Italy

The reform of the pension system was carried out in full by the center-left coalition in power from 1996 to 2001, which was able to convince the trade unions to accept a deal. Main Sectors of Industry Italy is one of the main agricultural players in the EU, being the biggest European producer of rice, fruits, vegetables and wine.

Italy vs United States Government Stats Compared

And the , that is the power to make choices that involve the entire community, belongs to the people, in accordance with the concept of a , from the Greek demos people and kratia power.

Economic and political overview in Italy

Time required to get electricity is the number of days to obtain a permanent electricity connection. The prime minister-designate needs the backing of the majority of parties in Parliament to form an effective government and implement his plans. Clearly conservative, Forza Italia also plans to cut the costs of the welfare state and introduce free-market competition in health and education, as well as cutting taxes.
