Jung and the Story of Our Time by Laurens van der Post, Paperback

It is a type of and represents an error of, or is a form of toward confirmation of the hypothesis under study, or disconfirmation of an.

Jung and the Story of Our Time by Laurens van der Post

Among the general public, divine intervention is the most widely accepted explanation for these meaningful coincidences. Albany: State University of New York Press. In his book, Jung wrote: How are we to recognize acausal combinations of events, since it is obviously impossible to examine all chance happenings for their causality? Laurens van der Post was a long-time friend of Jung and here presents Jung as he knew him. Jung the man, the discoverer and explorer of a new dimension in the human spirit, rather than Jung the psychologist.

Jung and the Story of Our Time (Vintage Classics) eBook : Van Der Post, Laurens: quizapp.evertonfc.com.au: Kindle Store

~Laurens van der Post; Jung and the Story of our Time, Page 153 Jung had been impressed by the fact that invariably, among the hundreds who swarmed towards him as patients, he found at the core of their neuroses a sense of insecurity and unease that came from a loss of faith, a loss of the quintessential requisites of personal religious experience.

Jung And The Story Of Our Time by Laurens Van Der Post

A survey with 226 respondents of the of synchronicity in clinical settings found that 44% of therapists reported synchronicity experiences in the therapeutic setting; and 67% felt that synchronicity experiences could be useful for therapy. Not only the meaning of his life but his renewal and his institutions depend on his conscious relationship with this pattern in his collective unconscious.

~Laurens van der Post; Jung and the Story of our Time

~Laurens van der Post; Jung and the Story of our Time, Page 180-181 All in the Black Book is dark, and such light as there is dwells in the words. Confirmation bias is of interest in the teaching of, as the skill is misused if rigorous critical scrutiny is applied only to evidence that

challenges a preconceived idea, but not to evidence that supports it. ~Laurens van der Post; Jung and the Story of our Time, Page 181 Jung, of course, had never thought of himself as a painter and any voice within himself suggesting that he should become an artist was regarded as the voice of temptation from which he devoutly sought to be delivered.

Synchronicity

Primates use in their form of intelligence, and this can lead to erroneous identification of non-existent patterns.

Jung And The Story Of Our Time by Laurens Van Der Post

Laurens van der Post was born in Africa in 1906. ~Laurens van der Post; Jung and the Story of our Time, Page 177 I shocked a great scientific Excellency once by telling him that when cases seemed to warrant it I had no compunction in speaking to them of spirits instead of complexes and archetypes, with the reservation, of course, that what appeared to them as spirits could merely be personifications of something unconscious in them and sooner or later, when truly made conscious, might vanish.
