L'Île Des Pingouins by Anatole France

He does a wonderful retelling of the Dreyfus affaire.

About Us

It also sends up religion, politics, property rights, war, etc. This to me may perhaps stand as a representation of the evils within the institutional church that haunted haunts? I do enjoy it when authors play around with mythology.

Île des Pingouins (Crozet)

First he mocks early religion and mythology, prominently featuring the exploits of a saucy and quick-witted young woman, who in later Penguin history will be known as Saint Orberosia, despite her history of infidelity and opportunistic lies. Its surrounding coastal cliffs vary from 50 m to 300 m in height, making it virtually inaccessible by sea and rarely visited.

L'île des pingouins

This causes a problem for The Lord, who normally only allows humans to be baptized. Ses oeuvres comprennent: Thais 1890 , Le Jardin d Epicure 1895 , Pierre Noziere 1899 et L Ile des Pingouins 1908.
