## If you're happy and you know it

See all of my reviews at. As secrets are revealed, the reader realizes none of these women are what they appear to be, and the ending was as shocking as some of the thrillers I've read! The dialogue between them is fun, entertaining, smart, witty and balanced nicely with some snarkiness.

## NURSERY RHYMES

This was my first novel by Ms. Just a perfect summer book, with enough edge, drama, and tension to keep you turning the pages no matter how many dishes might be sitting in your my sink. The plot is filled with both humor and shocking twists, but somehow they flow perfectly - what starts out as a subtle mockery of privileged moms quickly morphs into a domestic thriller, which is both unexpected and positively fun.

## 'If You're Happy and You Know It' Chords

Get it wrong on purpose sometimes so they can enjoy telling you no.

## If you're happy and you know it

I must admit the book lulled me in a little. Once she gets into these women's lives she realizes that maybe they aren't just the upper class housewives that she originally thought. If you're happy and you know it clap you hands.

Music Distribution and the Internet: A Legal Guide for the Music Business. Many of my reviews can also be found on my blog and instagram. This is a WONDERFUL novel.
