A 2015 report published by the World Bank ranked Pakistan's economy at 24th-largest in the world by purchasing power and 41st-largest in absolute terms. Regardless of what may be desirable, the army will continue to set the limits on what is possible in Pakistan. The coordinates the information intelligence at both federal and provincial levels; including the , , and such as the and the.

### The Idea of Pakistan by Stephen Philip Cohen

Few believed that a clean, uncomplicated break was possible in that shortened period. A first class primer and more as I commence my work. But

why is that not true of India, since it has security problems with Pakistan and China, and has to contend with numerous separatist movements? The strongest opposition to the Islamist ideological paradigm being imposed on the state came from the Bengali Muslims of East Pakistan whose educated class, according to a survey by social scientist Nasim Ahmad Jawed, preferred secularism and focused on ethnic identity unlike educated West Pakistanis who tended to prefer an Islamic identity.
