Russian Sleep Experiment

Experimental transplantation of vital organs. From the ninth day, things became worse.

Russian Sleep Experiment

No such gas has been discovered or seems plausible. Neither of these two men would have been likely to camp anywhere in the path of a potential avalanche. As the experiment progresses, the subjects take matters into their own hands and test the concept of truth as a matter of life and death.

The silver fox domestication experiment

This was back in 1964. This route undertaken in February was estimated as a Category III, the most difficult time to traverse. Some researchers have theorized that the story somehow got started from an authentic deep hole drilling project, but that has never been proven.
