**Solved: A. INSTRUMENTS & ACCESSORIES : Engineer's Level Or...**

After his release, he uses a time machine to travel back in time and exact revenge on his friend and his fiancée who stole his business.

**No.4 MK. I (T) Sniper Equipment Markings**

How does this relate to positions on the ground? Also called an Abney Level.

**Solved: A. INSTRUMENTS & ACCESSORIES : Engineer's Level Or...**

**BOISE MERIDIAN** — The principal meridian governing surveys in Idaho; it was established in 1867. **COOS BAY HOMESTEAD ENTRY** — A homestead entry, not exceeding 160 acres, on Coos Bay Wagon Road lands which are agricultural in character. It is supplied with two screws to fit existing screw holes.

**Lee**

The term is sometimes used incorrectly to denote two lines established on the ground although the field-note record indicates only one line, thus creating a hiatus or overlap. The barrel of this modified rifle is stamped with the serial no. Offset Perpendicular offset: Positive if stake out point is to the right of the reference line.

**The Mossberg 42M**

PST I don't suppose the Brown Bess was the best musket either, iirc the Navy version was even worse than the one supplied to the army.

**[TMP] Bess**

**AUTO SURVEYOR** — Trade name for an Inertial Positioning System. **CC Land Status Records** — Cash certificate. Evidence aliunde is evidence from outside or from another source.

**Solved: A. INSTRUMENTS & ACCESSORIES : Engineer's Level Or...**
