Women Religious in the U.S.: The Past Fifty Years

On the face of it, limitations of our cognitive capacities can be naturalistically explained as a result of biological constraints, so there seems little explanatory gain to appeal to the narrative of the fall. The psychologist Sigmund Freud 1927 saw religious belief as an illusion, a childlike yearning for a fatherly figure.

21 Challenges Facing the 21st Century Church — Brett McCracken

Satan was not only allowed to observe these new creatures destined to replace him and his followers, but also to provide them with false information.

Chapter 1: By What Authority?

To govern the conquered territory, those who remained established four large western settlements, or Crusader states, in Jerusalem, Edessa, Antioch and Tripoli.

Satan's World

And so it has most likely always been.

Religion Among the Millennials

So what does that mean? Work and accomplishment can serve effectively in this capacity as well. Even the devil's continued existence is dependent upon God's gracious forbearance and sustenance of the universe Heb.

Authority in Religious Traditions

Some studies suggest that religion draws more upon an intuitive style of thinking, distinct from the analytic reasoning style that characterizes science Gervais and Norenzayan 2012.

How America Lost Its Religion

Hick 1973 a and b advanced a complex picture of the afterlife involving components from diverse traditions. If God does know you will freely do some act X, then it is true that you will indeed do X.

Religion and Politics: Islam

To think this way, God's authority, God's will, must be rejected, and the sinfulness of one's own defiance of that will disregarded, for to accept one's action as sin is the first step in repentance. Even assuming a stable world also an uncertain proposition, nothing can last because we don't last.
