## Kelly's Directories Available Online

The first directories of counties outside London were published by Kelly in 1845; and during the next sixteen years the series was extended throughout England.

## 1932 Kelly's Directory of LEICESTERSHIRE & RUTLAND Local History Businesses Book

Other publications followed, including the Handbook to the Titled, Landed and Official Classes 1875 and Merchants, Manufacturers and Shippers 1877.

## Kelly's Directory

Offices of the Royal Historical Society. Thomas Joseph Clark Harris, d. Ebenezer Douglas rector Rectory Commercial ARNOLD Edith E.

## Kelly's Directories Available Online

The Post Office London Directory was started by two inspectors of the Inland letter-carriers called Ferguson and Sparkes... A third inspector, called B. It was in many different languages and introduced a fully searchable online-catalogue library and product section. Clicking on the title will take you through to a page listing entries in that directory.

## Kelly's Directories Available Online

The property is is mostly small freeholds. The development and growth of city directories.
