Proceedings of the second congress, Canadian Ethnology Society (Book, 1975) [quizapp.evertonfc.com]

This legislation terminated the power of the British Parliament's ability to legislate for Canada and the authority to amend the constitution was transferred to the Canadian House of Commons, the Senate, and the provincial legislative assemblies, acting jointly. The conquests of Alexander brought the civilizations of the West into contact. Most amendments require the consent of the Senate, the House of Commons, and the of two-thirds of the provinces representing a majority of the population; the unanimous consent of provincial legislative assemblies is required for certain amendments, including those affecting the sovereign, the governor general, the , the official status of the English and French languages, the , and the amending formulas themselves.
