**East Timor: National Development Plan in: IMF Staff Country Reports Volume 2005 Issue 247 (2005)**

It has to be a value to you.

**80th Anniversary Publication**

This will be important in terms of reducing the level of poverty among the poorest,

Filesize: 28.69 MB

especially in rural areas, and helping to avoid over-investment in industries producing non-tradable goods following the start of inward flows of oil and gas revenues.

### 80th Anniversary Publication

Similarly, rural and regional development is addressed mainly through macro and sector programs, and several Ministries and Departments are involved in these efforts.

### Para

Established in 2006, the goal of Ha Kupuna is to improve access to, and delivery of, services to Native Hawaiian elders and their caregivers through the development and dissemination of knowledge around health and long-term care patterns and preferences. In operational terms, most of the activities are covered in other sectors including Industry, Trade and the Private Sector and Agriculture, Fisheries and Forestry. The total

beneficiary population is close to 10,000 farmers.

### **Measuring the Quality of Life and the Construction of Social Indicators**

A majority of the population do not have access to safe water and sanitary facilities.
