Chicago

Chicago is one of the United States' most densely populated major cities, and the largest city in the.

Chicago

The first two in 1893 and 1993 were held in Chicago. This had an immense cultural impact, called the , part of the , in art, literature, and music.

Chicago

Chicago's South Side emerged as United States second-largest urban black concentration, following New York's. Much of the city, including railroads and , survived intact, and from the ruins of the previous wooden structures arose more modern constructions of steel and stone. From 1989 until May 16, 2011, Chicago was under the leadership of its longest-serving mayor, , the son of Richard J.

Chicago

The city and its surrounding metropolitan area contain the third-largest labor pool in the United States with about 4.

Chicago

. By the time of its first census, seven years later, the population had reached over 4,000.
