What Is Ubiquitous Learning? (with pictures)

The computer of the 21st century.

Ubiquitous learning

Ubiquitous, which has often been used with a touch of exaggeration for things and people that seem to turn up everywhere, has become a more widespread and popular word than ubiquity. However, because students often have their phones on them at all times, students have 24-7 access to a learning environment.

Ubiquitous Learning: What Every Education Organization Needs To Know

For most of my life I have not done so.

Ubiquitous learning: A systematic review

Criteria and Strategies of Ubiquitous Learning. Our more than 400 member organizations include U. Crossref and its members work to make content easy to find, link, cite, and assess by using online tools and services to improve research communications.

Ubiquitous Learning: What Every Education Organization Needs To Know

The Good Teacher: Effective Teaching Strategies for a Ubiquitous Learning Environment, Torria Bond.
