## Background of the Spanish Civil War

Born in 1728, Floridablanca was eighty years of age at the time of the revolutionary outbreak in 1808. Background to the War The decision to begin land battles against Spain with an invasion in the area of Santiago de Cuba was largely a result of the fact that a Spanish fleet under Admiral Pascual Cervera took refuge in the harbor at Santiago in mid May 1898. There were important reforms in the 1950s with some changes to elementary and secondary education and the establishment of preuniversity course of study.
