## Episode 6

In 1973 the proposed the creation of eight English appointed regional assemblies with an advisory role; although the report stopped short of recommending legislative devolution to England, a minority of signatories wrote a memorandum of dissent which put forward proposals for devolving power to elected assemblies for Scotland, Wales and five Regional Assemblies in England.

## Devolution of Northern Ireland Notes

Each of the islands is represented on the. Devolution in Northern Ireland is in crisis — and, arguably, Brexit is masking the growing importance of getting an adequate constitutional solution to the stalemate. Devolution at 20 Twenty years ago, devolution to Scotland, Wales and Northern Ireland transformed the governance of the UK.

## Why was Devolution in Northern Ireland so hard to achieve and is it in crisis?

Of these Devolution Settlements, the greatest success for Blair was undoubtedly the achievement of the Northern Ireland Act.

## Why was Devolution in Northern Ireland so hard to achieve and is it in crisis?

It was not clear that there was any political solution that would solve the situation in Northern Ireland. The Back-story of Devolution The Conservatives had no MPs left in Scotland in 1997 and Labour was committed to devolution after participation in the Scottish Constitutional Convention with the Liberal Democrats and civic groups.

## Northern Ireland: What is devolution? How did Northern Ireland Assembly collapse?

He can refuse to propose insular legislation or can propose it for the Queen's approval.

## Northern Ireland: What is devolution? How did Northern Ireland Assembly collapse?

The devolved administration has exclusive powers in certain policy areas, while in others, responsibility is shared and some areas of policy in the specific area are not under the control of the devolved administration. These bodies were not directly elected but members were appointed by local government and local interest groups. It has emerged that Civil Servants urged the scheme to be abandoned, but it was kept open.
