Dawn Summers was the younger sister of Buffy and she was introduced in season five, starring in the final three seasons. She made her debut in the premiere episode of the show's fifth season and subsequently appeared in every episode of its remaining three seasons. Great in 8 is my new long-term English coaching program! After years of , Dawn was introduced at the start of the fifth season as part of a large in-story : Characters accepted Dawn's presence as if she had always been there, and as if Buffy always had a sister, with only the audience aware that this was not the case.

Financial Advisor

Ha diffuso l'informatica a livello mondiale e facendo diventare Microsoft una delle aziende più potenti del pianeta. Dawn then falls into a watcher-esque role offering the group answers from research, such as ways to communicate with The Bringers and translating texts given to Buffy in a 'slayer keepsake'.
