Toward the late Tokugawa public sphere : dissent, remonstrations, and agitation in the Settsu province

Kojima Korekata: Otsu Jiken to Meiji nashonarizumu Chuko shinsho. The penultimate chapter departs from the chronological schema to analyze kokuso or interprovincial mercantile protests from the 1740s through the 1850s, thereby discussing the role of the marketplace in civil society and the public sphere.

Tenkanki ni okeru kaji shiryō no kenkyū / Kaji Shiryō Kenkyūkai hen

Arima, who apparently saw Hinami being owned by Haise as a sign that he had begun to reconcile with his former self, accepted it without reluctance, likely pleased that the time when he would finally pass on his mantle is closing in. For late Tokugawa civil society, I define it as voluntary associations where those active in the public sphere may gather and formulate their thoughts. Out of the ocean international Dharma books available in English the ones which could match this are not so many.

Japan and East Asia

ISBN 4906330320 set Series Hōkokusho ; dai 1-shū. In addition to civil society, I include such elements as aesthetics, print literature, religious travel, the marketplace, entertainment, village affairs, and of course dissent within the public sphere.

why did arima kill himself

. Table of contents also in English.
