## Issue 26: Intimate Partner Violence Against Immigrant and Refugee Women

Men are never taught to look inwards and now, with new world, they will never look inwards. Loya discusses her research on the economic effects of sexual violence. Hygienic and comfortable menstruation is a basic human right and sustainable development cannot be ensured if menstruators are deprived of their basic rights.

## Where to Find Funding for Equipment, Training, Hiring, and Programs

As a result, an increasing number of women are employed as casual or contract workers and they do not appear on company records.

## Other Organizations

In 2015, it was estimated that over 67 percent of rapes were not reported to police. Identify and support at-risk groups and individuals to resist and reject violent extremist ideologies 3. Early socialization of negative masculine ideals Western culture defines specific characteristics to fit the patriarchal ideal masculine construct.

## Resources

This leads to health care costs associated with treatment, follow-up, and medication.

## What Do Women Do After Marriage, Why Can't Men Ask For Dowry?

Accreditation of HIV Testing Centers.

## Resources

Police Response to Violence Against Women - VAW The IACP's Police Response to Violence Against Women library includes tools, resources, and policies to assist law enforcement in responding effectively to human trafficking, sexual assault, domestic and sexual violence by police officers, stalking, strangulation, domestic violence, and other crimes of intimate partner violence. Description of the capacity enhancement sessions: The sessions were delivered through webinars over the course of 6 months.

### **Getting help for domestic violence and abuse**

Here are eight ways that you can fight racism in your community: 1. The IACP created the Agency Self-Assessment and Community Assessment so that agencies can both internally and externally assess their responses to and investigations of these gender-based violence.
