### Combatting Human Rights Abuses in Xinjiang

After the end of the Cultural Revolution in the late 1970s, the abuse of psychiatry for political purposes continually diminished until the 1990s, when there was a resurgence in politically motivated psychiatric diagnoses towards political dissidents and minority religious groups. In a footnote, the Committee cited an unnamed official as saying he had heard Eisenhower order the assassination. A total of 46 crimes are punishable by death, including some non-violent, such as and.

### Introduction to the UN Guiding Principles on Business & Human Rights

However, documentation was not available at the Washington, D. Everyone has the right to form and to join trade unions for the protection of his interests.

### Opinion: By winking at China's human

China refused to comply, and by summer 1994 Clinton admitted defeat and called for a renewal of normalized trade relations. After witnessing the massacre of dozens of protesters in 1997 in her home city of Ghulja, known as Yining in Mandarin, she fled to Britain.

### U.S. Declares China's Human Rights Abuses Against Muslim Uighurs 'Genocide'

A number of professors, including foreigners, were punished for making comments critical of the government. They pretend like it is not true. Authorities stepped up their persecution of religious communities, including prohibitions on Islam in Xinjiang, suppression of Christians in Henan province, and increasing scrutiny of Hui Muslims in Ningxia.

### US Congress Holds Hearing on Human Rights Abuses in Egypt

Thus, torture on civilians and unwilling participants, itself a humans rights violation, comes to frame. African officials took notice of the issue, and the issued an official protest. The only legal Christian groups are the and the , the latter of which has been condemned by the Pope.
