Rakuen e no Shingeki

In this case, shite imasu has a totally different meaning and it's mostly used to emphasize the description of appearance or shape. French: Problèmes actuels du marxisme. Social Science Japan Journal 8:312-314.

The changing role of the Japanese professor

In a new preface the author reflects on the way the writing of History and the State in Nineteenth-Century Japan was influenced by the circumstances under which she worked and on the perils of privileging national history in an increasingly globalized world. The document is meant to summarize Hōnen's teachings for future generations, and serves as his final testament. The flower petals dancing in the air, thrown about by the violent winds, Are like moonlit butterflies, their sway just as short-lived.
