How

Metrowerks subsequently used the name for their new developer product. Select the Java 2 SE Stationery option.

CodeWarrior

And, because most people need more than books to learn programming, Metrowerks has coordinated a set of free online courses called CodeWarrior University. In the USB dongle license implementation, the CodeWarrior license is node-locked to a dongle that is connected to the USB port. During its heyday, the product was known for its rapid release cycle, with multiple revisions every year, and for its quirky advertising campaign.
