Example 1: An Air Force employee who owns stock in a major aircraft engine manufacturer is being considered for promotion to a position that involves responsibility for development of a new fighter airplane.

Social Security History

Department of Health, Education, and Welfare.

Title 24

Finally, if state budgets are fixed in the short run and the demand for assistance increases, states will need to ration limited funding by lowering benefits, limiting the duration of program eligibility for individual families, or denying benefits to some population segments. However, during the term of her appointment as a special Government employee, she may not receive compensation for an article about the NSF program she is participating in developing. An order of the CFTC authorizing one or more member s of the CFTC or of its staff to issue subpoenas in the course of a par ticular investi gation shall include 1 a general description of the scope of the investigation; 2 the authority under which the investigation is being conducted; and 3 a designation of the member s of the CFTC or its staff authorized by the CFTC to issue subpoenas.

Title 24

Example 1 to paragraph d 1 : Based on a written determination by an agency ethics official that the prize meets the criteria set forth in of this section, an employee of the National Institutes of Health NIH may accept the Nobel Prize for Medicine, including the cash award which

accompanies the prize, even though the prize was conferred on the basis of laboratory work performed at NIH.
