RACER Magazine Information Center

After descending the turnaround hill, the trains reach a medium hill where the tracks rejoin the main structure.

RACER

At the start of what will likely be his last Tour, Dom is unceremoniously dropped from the Team he has dedicated his life to. Nice how quickly we adjust to the arctic cool-down that now feels about right when skiing.

Star Wars: Episode I Racer

This material may not be published, broadcast, rewritten or redistributed in any form without prior authorization. Determined to recapture some of Coney Island's traditional themes at the new park, Gary Wachs and his father met Allen in 1970 at an convention in Chicago.

About RACER — RACER Magazine Information Center

Hopping in the classic tracks on the downhills was just a notch or two below scary-fast. Things have flattened out on the skate lanes and the tracks were fast. Log all your fun times and don't worry about falling down as those are not counted.

We used our rock skis, but could have used our good skis. Schuss Mountain multipurpose trail is also groomed. The design allows for two trains to race in similar fashion from start to finish.

About RACER — RACER Magazine Information Center

We're afraid the gator won't have enough power to pull it up hills. We import our paper from Finland.
