The Politics Of Meat

We first met at an Ohio Academy of History meeting in the 1990s, when she was still at Kenyon College. For example, the Belgian Test Achats, the first European consumer group designed primarily with the notion of product testing in mind, has moved from the BIC pens it studied in its founding year 1957 to multimedia PCs and medications today. Ellen took me under her wing, explaining bizarre academic practices with the skill of an anthropologist and lending me her much nicer apartment when she went out of town.

Consumers Against Capitalism?: Consumer Cooperation in Europe, North America ...

In the end, after a public outcry from consumer advocates and newspaper editorials criticizing the amendment and the meat industry, a compromise was negotiated and the new meat inspection rules -- with the salmonella testing -- went forward.

There are few to no markers of national identity on their websites, with the obvious exception of language. The SDGs and targets are integrated and indivisible, global in nature and universally applicable, taking into account different national realities, capacities and levels of development and respecting national policies and priorities. La coopération se définit dès lors comme la pratique du socialisme dans la vie quotidienne.
