Up from Slavery

Black women should be educated for leadership, with an emphasis on leadership as service to others. . ED304686 Author: Davidson,-Phebe Title: Narrative Stance in the Douglass Autobiographies.

Homeschool Literature & American History Curriculum

It became the first book by an African American writer to be selected by the Book-of-the-Month Club. The cards are packaged in sequential order by lesson so that it is simply a matter of taking the next set of five or ten cards off the stack to study as the child progresses through the book, but each card is also labeled with the lesson it pertains to in small type at the bottom so that they can be mixed up for more challenging studying and then rearranged later.

Up from Slavery

Positive change on the part of African American educators is required to combat these problems.

Black History, Culture, and Literature Bibliography

Each card contains a stem or word on the front and its definition on the back, all in large, black font to make it easy to read. The reader should also bear in mind the powerful feminine mythology that creative women writers are heir to, such as African goddess paradigms.

Homeschool Literature & American History Curriculum

It was a mission that combined educational, social, and economic goals.

Homeschool Literature & American History Curriculum

Much of the text is meant only to be read, with exercises interspersed that students or instructors can choose from to help solidify the knowledge through manipulation of the vocabulary. Since World War II, opportunity and recognition have grown.
