Health professions educators confront a new era : proceedings of the 1st Congress of Health Professions Educators

I urge everyone to exercise restraint and avoid any further escalation, in the interest of the country and the whole region. But it would be an embarrassment for the U.

How to use your Apple Watch

This point of view was vigorously and thoughtfully presented by Dr. Now this is how the furnace of the living body is kept smouldering on in its gentle and even way.

Historical Papers, Wits University

He was liked and admired, and both the press and public had followed his illness closely and been reassured by his apparent recovery. I also asked Byers about the origin of his scoop to which he responded, "I'm not going to be able to talk about matters related to sourcing.
