Stories of love and obsession, fate and fear, the things that never change. As of February 3, 2020, the has seven titles available as in the in Canada; these may be still under copyright elsewhere.

**For Sale: Blues of a Lifetime/Cornell Woolrich by Cornell Woolrich**

She made love to it. Between his style and his substance Woolrich achieved the perfect union that he never came within a mile of in his private life. Jason's colleague Claudia quickly becomes his partner in trying to solve the mysterious puzzle that lies in the apartment across the way.

**Blues of a Lifetime : Autobiography of Cornell Woolrich (Paperback)**

He never saw her again. He channeled that vision not only into a life of debauchery and cruelty but also into his fiction.

**Blues of a lifetime : the autobiography of Cornell Woolrich : Woolrich, Cornell, 1903**

Woolrich was secretly a sexually-active gay man Corliss , but was married for a short time to Violet Virginia Blackton, a film producers daughter. I am struck by a powerful depiction of loneliness, despair and doom, but this is not a state of mind specific to gay men.
