She is the winner of multiple awards. The Israel-Arab Reader's last section includes many Arab documents on Oslo and runs through 2001 statements by the Palestinian negotiating team and former President Bill Clinton. Another volume is needed soon because so much is happening in relation to the Middle East peace process.

### The Israel/Arab Reader: A Documentary... book

The Third section runs from the Camp David Accords to Madrid, including statements from various commissions, the Arab League Jordanian Crown Prince Al-Hassan Bin Talal, and Lebanon and Israel's 1983 truce agreement. The editors deserve the reward for a fine effort and a wealth of material will be at your fingertips.
