It will be made available in English, French, Russian, and depending upon funding in Chinese. According to WHO, there are 5. This classification probably owes more to the contest for bureaucratic turf than to any analysis of their situation.

Measuring the Non

The Australian private sector will maintain interests in the resources and finance sector but will be challenged if law and order worsens.

Report says PNG's has been hit

The population in urban areas, who are for the most part removed from their traditional gardens, buy food from markets, street sellers, and supermarkets. The scenario outlined above is not inevitable. But equally, Papua New Guinea faces some serious challenges.

Informal jobs sector both a blessing and curse in Southeast Asia

Indeed, the vast majority of school leavers will not find jobs in the formal sector in urban areas and will need skills to make their lives in agriculture rather than in urban professional settings. If Australia were to duck that responsibility, it may well be taken up by others.

Publications

The food economy will continue to be the leading economic engine in West Africa, but only if we design smart strategies to revive the sector after the crisis.

Papua New Guinea: Policy for the informal economy

The magazine is called PNG Now, and it's a brand new lifestyle magazine aimed at readers in the Pacific nation of Papua New Guinea PNG. All of this matters greatly to Australia.
