And he's done a whole bunch of things that are extremely controversial that have eaten into the sort of foundations of liberal democracy there.

Antisemitism: how the origins of history's oldest hatred still hold sway today

Besides saying that Jesus is the son of a Roman soldier, it claims that his healing miracles were magic tricks learned in Egypt with the purpose of destroying the Torah. This was directly related to the missionary activities of people like the Apostle Paul and his collaborators. Many of those kids had parents with numbers tattooed on their arms, lifelong reminders of their time in Nazi concentration camps and reminders as well of millions of others who did not survive.
