## Cabinetry

The supply of cabinet hardware is a global issue due to the increased demand and restricted manufacturing conditions surrounding Covid-19. This work is in the public domain in the United States of America, and possibly other nations.

## Cabinet

Will definitely be a repeat customer! Timber is a fantastic and truly renewable product if grown and harvested in a sustainable manner. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. As these are old books, we processed each page manually and make them readable but in some cases some pages are blur or missing or black spots.

## TOPAZ SUSTAINABLE TIMBERS

This is one of the Cassowaries that regularly come to say hello and keep an eye on our work.

## Solid Timber Cabinet Doors

Within the United States, you may freely copy and distribute this work, as no entity individual or corporate has a copyright on the body of the work. As the name implies it is suitable for pallet and packing applications, also being a plywood it does not need fumigating for export purposes.

## Timber Display cabinet

Bring in Your Old Doors! This work is in the public domain in the United States of America, and possibly other nations. The edging we use is from Surteco — another great product locally made here in Australia.

## Melbourne Plywood, MDF, Timber Veneers & More

Both finishes are UV and scratch resistant however the velvet finish, which is smooth and untextured, provides an even greater protection. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. Exterior

plywood manufactured to As 2271 and Interior plywood manufactured to AS2270.
