**Annual Report: 2008**

The House leader in the other place is perfectly entitled to his opinion.

**Constitutional history of Canada**

Please check the collection records in for detailed location information.

**Canadian Poverty Reduction Strategy**

Mandating supplemental intervention services: Is New York state doing enough to help all students succeed? The bill before us now is a compromise, supported by every party in the House.

**Poverty**

This collective marginalization, if left unaddressed, can result in emerging inner-city ghettos and risk undermining community solidarity. The approval of both houses is necessary for legislation to become law and, thus, the Senate can reject passed by the Commons.
