South Korea

Ritsumeikan Journal of International Relations and Area Studies in Japanese. In the 12th century BC , a prince from the of China, purportedly founded.

Ancient Korean Civilization History: Timeline and Culture

In Chandler, Daniel; Munday, Rod eds.

History of Korea

Military This section's may be compromised due to out-of-date information. However, it has retained many broad characteristics and with the exception of the short-lived , the country has always had a presidential system with an independent chief executive.

Korean War

Korea was not included in the strategic Asian Defense Perimeter outlined by. This trend of net entry reversed over the next 40 years because of emigration, especially to North America through the United States and Canada.

Korean Culture

There are three types of court music.
